## PROFESSIONAL WORK

---

<b>02/2014 - Present</b>	<b>Khalil Foundation</b>	<b>Lombard, Illinois</b>
<i>Deputy Director / Psychologist</i>		
<ul style="list-style-type: none"> <li>• Complete assigned administrative tasks or assume complete responsibility in the absence of the Executive Director</li> <li>• Develop, implement, and evaluate organizational policies/procedures, programs, and standards consistent with laws and ordinances, grant funding criteria, and current professional clinical standards</li> </ul>		

- Plan, organize, direct, and evaluate program services, didactics, intern trainings, and activities
- Recruit and train staff members and interns
- Respond to community urgent needs and crises by providing supporting and educational services to community members
- Supervise undergraduate and graduate interns from psychology, counseling, and social work programs
- Provide individual and family therapy to clients of diverse backgrounds
- Plan and implement treatment plans catered to the needs of the clients congruent with evidence-based practices
- Lead seminars and classes on various topics related to the needs of the community
- Conduct psychological evaluations and provide diagnostic clarifications along with recommendations to families and clinicians
- Research studies include program evaluation, mental health access, and effectiveness of service delivery

**08/2011 - 05/2014** **Riveredge Hospital** **Forest Park, IL**

*Program Therapist – Department of Social Services*

- Provide clinically sound individual, family, and group therapies and establish therapeutic relationships with patients and families
- Provide quality documentation for psychosocial assessments, treatment plans, therapies, court reports, discharge planning, staffings, and medical records
- Promote safe and therapeutic interdisciplinary patient care through consultation and supervision, effective communication, interactions with and training of direct care staff, and milieu interventions
- Collaborate with the treatment team regarding the need for continued care or discharge, and communicate discharge plans and aftercare effectively with patients, families, treatment team, and participating community agencies

**11/2006 - 08/2012** **Central DuPage Hospital** **Winfield, Illinois**

*Substance Abuse / Psychiatric Counselor - Behavioral Health Services*

- Conduct initial clinical and psychiatric assessments using ASAM and DSM-IV-TR
- Plan and implement psychiatric and substance abuse treatment plans and patient care with a team of nursing technicians, social workers, nurses, and physicians
- Lead daily psychoeducational, art therapy, goals, and expressive therapy groups
- Conduct supporting individual therapy sessions with the patients
- Provide quality documentation related to patient care

**11/2010 - 06/2011** **Adventist GlenOaks Hospital** **Glendale Heights, Illinois**

*Intake Counselor - Assessment & Referral Department*

- Provide initial assessments on all patients identified as high risk using the Illinois Mental Health Code criteria
- Review the patient's medical records, interview the patient and/or the family
- Based on the assessment, formulate appropriate plans for hospitalization or referral to appropriate social service agencies
- Confer with physicians, nurses and other members of the healthcare team to assess the specific needs of each individual patient
- Conduct preauthorization with insurance as part of the utilization management process

**02/2007 - 02/2008** **Advocate Good Samaritan Hospital** **Downers Grove, Illinois**

*Mental Health Counselor - Adult/Adolescent Psychiatric Unit, Behavioral Health Services*

- Conduct initial clinical and psychiatric assessments using DSM-IV-TR
- Assist in establishing and maintaining a safe milieu for patients and staff
- Offering support and symptom relief to patients and their families through individual and group therapeutic activities
- Collaborate with physicians, nurses, and other health care professionals in the planning, implementing and recording the progress of the patients

---

## SUPERVISED CLINICAL TRAINING

---

**06/2014 - 05/2015** **Maryville Academy** **Des Plaines, Illinois**

*Psychology Doctoral Intern*

- Supervise undergraduate and graduate interns.
- Provide care to individuals between the ages 2-20 at a short-term acute psychiatric hospital
- Utilize crisis, brief, and milieu therapy skills to provide individualized care to children and families in need of intervention and treatment.
- Assist patients in acute crisis, by identifying their needs, developing a comprehensive treatment plan, and facilitate a successful return to the community assisted by referrals to appropriate community resources.
- Provide daily group therapy sessions for approximately 30 adolescent boys and girls that focus on a variety of topics and skills areas. Groups are primarily psychodynamic, cognitive-behavioral, and dialectical behavioral.
- Conduct intake interviews, diagnostic assessment interviews, and administered various intelligence, objective, projective, and self-report tests. Complete assessments and integrated reports in a timely manner. Provide feedback sessions to patients and

family members as well as other members of the treatment team. Use results to clarify diagnosis, enhance treatment, and provide placement recommendations.

- Work on an interdisciplinary team to provide treatment recommendations on a regular basis.
- Research and facilitate in developing an intensive outpatient program for adolescents and adults.
- Receive supervision and didactic training from a doctoral level supervisor. Consult regularly with professionals from other disciplines in an effort to enrich the training experience.

**10/2013 - 05/2014**

**Maryville Behavioral Health Hospital**

**Des Plaines, Illinois**

*Psychology Doctoral Extern*

- Conduct full-battery psychological evaluations on children and adolescents
- Provide answers to referral questions ranging from clarification of diagnoses to assessment of underlying risk factors
- Administer projective personality assessments (Rorschach Inkblot Test, Thematic Apperception Test, Projective Drawings), objective personality assessments (Minnesota Multiphasic Personality Inventories, Millon Clinical Multiaxial Inventories), cognitive assessments (Wechsler Intelligence Scales – WAIS, WISC, WPPSI), and other relevant assessments
- Score, interpret, and provide an integrative evaluation along with treatment goals and recommendations

**08/2012 - 10/2012**

**Advocate Christ Medical Center**

**Oak Lawn, Illinois**

*Psychology Doctoral Extern*

- Conduct evaluations on potential recipients of kidney transplant, heart transplant, Ventricular-Assist Device implantation, and kidney donors
- Collaborate with heart and kidney transplant teams and provide outpatient supportive therapy as needed
- As part of the Psychiatric Consultation Liaison team, provide assessments and therapeutic interventions to patients on the medical floors including trauma, adult surgical, pediatrics, and psychiatric
- Lead biweekly insight-oriented groups on the inpatient psychiatric units
- Conduct psychological assessments on specific patients on the inpatient psychiatric units
- Attend and participate in transplant team, interdepartmental, and departmental meetings and grand rounds
- Collect and assess data for research purposes

---
